

The Indian Silk Export Promotion Council

(Ministry of Textiles & Supported by Ministry of Commerce, Govt. of India)
(Vice Chairman - ISEPC)

My Dear Fellow Colleagues,

It is my pleasure to share with you the remarkable achievements of the Indian Silk Export Promotion Council (ISEPC) over the past year. As the Vice Chairman of the Council, I am delighted to highlight our tireless efforts in promoting Indian silk and textile products globally, fostering innovation, and supporting our exporters.

Throughout the year, ISEPC has worked relentlessly to create a conducive environment for the growth of the textile industry. We have organized numerous buyer-seller meets, trade fairs, and exhibitions, providing our members with unparalleled opportunities to showcase their products and connect with international buyers. Our skill development programs have empowered our exporters to enhance their competitiveness in the global market, while our market research and trend analysis have enabled them to make informed business decisions.

Our council has also been actively engaged with key government ministries, including the Ministry of Commerce, Ministry of Textiles, and Ministry of Finance, providing crucial inputs on export-related matters and contributing to policy formulation for the textile sector. We have worked closely with our members to address their concerns, provide solutions, and facilitate their growth.

As we gather for our 42nd Annual General Meeting, I would like to express my gratitude to our members, stakeholders, and partners for their unwavering support and cooperation. I am confident that together, we will continue to drive growth, innovation, and excellence in the textile industry.

To further strengthen our council and enhance our impact, I would like to call upon all our members to actively participate in our membership drive. By enrolling more members, we can amplify our voice, expand our reach, and create a more robust and diverse textile community. I urge all our existing members to invite their industry peers and associates to join ISEPC, so that they can benefit from our expertise, network, and resources.

Together, we can build a stronger, more vibrant textile industry, and ISEPC can continue to play a pivotal role in shaping its future. I look forward to welcoming you at the AGM and discussing our future plans and strategies.

Warm regards,

Naresh Kumar Sadh
